PROFESSIONAL INTERIOR DESIGN STUDIO

When you give your home our design touch, you get both beauty & functionality. We employ state of the art technology to ensure your home features a flawless look that lasts a very long time.

INTRODUCTION

GREAT DESIGN SPEAKS VOLUME

Booming with ideas for an evolving design landscape, Mr. Mahesh wanted to open up his artistic vision and let the world embrace it. Driven by his passion for design and encouraged by his strong entrepreneurial spirit, Mr. Mahesh Chogale set out on a path that redefined his identity.

The Design Hour Studio was born in the year 2020 and has now grown by leaps and bounds into a force to reckon with. A design firm that undertakes interior design projects, it is also a home to holistic design solutions.

ABOUT US

A Global venture in Real Estate with offerings spanning tech-enabled space planning, consulting, interior design and contracting solutions.

We are a brand with footprints across India, and have catered to millions of square of spaces through consulting, space planning, design and build.

We are differentiated by a tech-centric approach, efficient design & execution process, providing a seamless experience.

TECH-ENABLED INTERIOR DESIGN

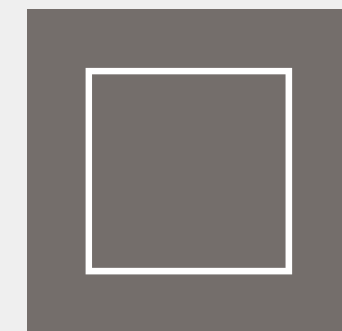

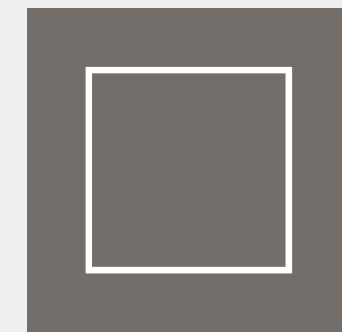

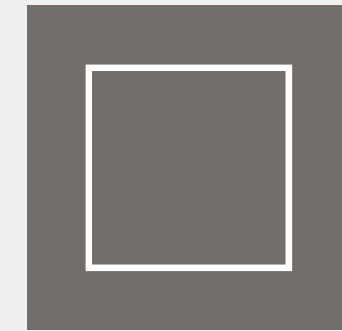

Our design thesis allows us to create an atmosphere of harmony, efficiency, cultural stability and sustainability. We firmly believe that every aspect of our surroundings has an impact on daily productivity and morale which enables us to think of every space as an integral element of your story and helps create a unique differentiator in your everyday life.

BESPOKE PRODUCT SUPPLY

Every corner and every object has the potential to elicit emotions. At Design Hour Studio, we continuously strive to create beautiful products, tailor made as per your requirements. Our products are intended to fall at the intersection of design aesthetics and functional usage which have been developed over the years of research and in-house technical expertise.

BUILD AND CONTRACTING SERVICES

We bring your imagination to life with our meticulous involvement at each stage of creation. Our experienced team of Interior Designers, Architects, and Consultants help you put every brick. Witness the transformation of your space from an image to a captivating structure where every corner speaks about the story of a team who has tirelessly worked to ensure they deliver value.
